MADROÑO, Vol. 64, No. 3, p. 110, 2017

VOUCHERS AND DUPLICATES REQUESTED CDA

The Curator requests vouchers of weeds and duplicates of noteworthy collections to be deposited at the California Department of Food and Agriculture Herbarium (CDA). Founded in 1921, the Botany Lab and Herbarium of the California Department of Food and Agriculture (CDFA) serves as the plant diagnostic and identification service for California, and is the repository for the state collection of noxious weed and agricultural plant specimens. The Botany Lab is within the Plant Pest Diagnostics Center of CDFA.
